

Vauth-Sagel Waste Bins

The space-saving ENVI Space XX liner, with its own rail system, automatic closure and soft-close can be installed laterally in a very small kitchen unit, providing high-capacity, convenient waste disposal close to the worktop.

- Cabinet widths 300, 400, 450, 500 and 600 mm
- Minimum installation depth 515 mm
- Minimum installation height 580 mm
- Integral 3-D front adjustment using an excenter
- Integral self-closing/soft-closing on both versions
- Additional storage available using powder-coated lid
- Direct removal of the back bins
- Total capacity system: 33.2 to 91 litres
