

ENHANCING LIVING
SPACES TOGETHER

AN INTRODUCTION

OUR BRAND STORY

Sometimes you work with a company and everything just fits. They get who you are, how you like to work, what drives your business or your project and what you need to get the job done. That company is Fit.

We're Fit, so whether it's storage for kitchen, laundry or drawer systems, **we have all the fitted storage solutions you need, and then some.**

We're Fit, so of course our service and range is fit for purpose.

We guarantee your satisfaction and every product comes with a warranty that lasts as long as the cabinet it's installed in. We dispatch fast and offer free freight across most deliveries.

We're Fit, so whether you're a kitchen maker, a cabinet maker, a designer or architect, a DIY kitchen renovator or a homeowner looking for products to discuss with your kitchen designer, **we aim for a great fit, a true partnership with you.** This is how we make the difference.

We're Fit, so all of our staff share fitting, uncommonly good values; it's not negotiable for us. We take

our work relationships personally and care about the bigger picture too. **Listening is one of our primary skills. Doing the right thing is everything to us.** Does that sound old fashioned? We won't apologise for that.

We're Fit and **our purpose is to enhance lives, living spaces and communities.** To that end, we tailor our service to deliver up to the minute storage solutions with integrity and passion to customers we genuinely care about.

We promise to make a genuine difference. And every day we challenge ourselves to partner, not just to serve.

We aim for true partnership with our customers and suppliers. Our Tanova range is partnership at work.

At Fit, we continually develop our NZ-designed Tanova range. And we work with leading global suppliers to source new and innovative products.

Listening is a primary skill. Doing the right thing is everything.

Our 100/30 guarantee means if you are not happy with your Fit item, you may return it in the original packaging within 30 days for a 100% credit or replacement. Some conditions apply.

Our service and product range is fit for purpose.

Every product supplied by Fit is guaranteed from manufacture fault and material fault, for the life of the furniture or cabinetry into which it is installed.

It's the quality of the extra mile we go that counts. And it starts with listening.

Perfection may be elusive, but it's always Fit's aim. We review both failures and successes to keep raising the bar. If you have a suggestion, or even a complaint, get in touch. We love to hear from you.
