# Lifetime Warranty

Fit warrants the original purchaser of products against manufacturing defects for as long as the original purchaser owns the product. This warranty applies to all non-electrical\* products sold by Fit in New Zealand and Australia.

The warranty covers replacements for faulty goods only. Replacements will be supplied to the original purchaser only. If the identical item is no longer available, Fit will replace with the closest item from our current product selection. The warranty does not include any labour or other associated expense that may be involved in removal or installation of the product. The warranty does not apply if products have been incorrectly installed, have been subjected to loads in excess of specifications and/or have been subjected to uses/purposes for which they are not expressly intended. Fit's Liability is limited to the goods themselves and does not cover any consequential or incidental damages contributed to or resulting from the use, installation, performance or failure of our products.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. In New Zealand this warranty is additional to the conditions and guarantees of the Consumers Guarantee Act (1993).
